

CAPABILITIES STATEMENT

SBE certified by the California Department of General Services, we offer turnkey solutions for your imaging needs: project site photographs, portraiture, live action, drone and time-lapse video. Insured and OSHA certified, we own our own PPE. Safety is a top priority.

Clientele: Port of Long Beach, Pasadena Public Works & Water & Power, Burbank Unified School District, Madison Square Garden, Mitsubishi, Weber Metals, Gray Construction, Casey Industrial, Walsh-Shea Corridor Constructors and the Huntington Botanical Gardens.

Deliverables can be used for:

- 1) Insurance requirements
- 2) Proof of application
- 3) Contract enforcement
- 4) New business development
- 5) Marketing & community relations
- 6) Donor solicitations
- 7) Historical archive
- 8) Structural engineering
- 9) Engaging stakeholders

Our reputation is for timely work delivered to the highest visual standards for composition, color and fine detail, combining exceptional technical knowledge, superb talent and first-rate customer service.
